SingStand™

Embrace Your Inner Rock Star

MKS-SS1EU

Memorex SingStand™ is revolutionizing the way you interact with music – now you can be a star! Memorex SingStand microphone speaker system allows you to sing along with music from iPod or any MP3 device with a headphone jack. Impress your friends and family with voice control and echo effects, giving them a stellar vocal performance, then connect your own musical instruments for a truly amazing show. The full-range speakers, built into the base, offer quality sound, and if you feel like sharing the spotlight, SingStand comes equipped with dual microphone inputs for duet performances.
